IN THE COMMUNITY

Prevention is Key

We joined Upstate Cancer Center and the American Cancer Society for the "Prevention is Key" event to kick off national cancer prevention month in February.

'Cuse Camp

Local fitness studio, 'Cuse Camp, owned by Dan and Karen LeClair, launched its February weight loss challenge with a fundraiser for 13thirty Cancer Connect! Donation centers are set up at the Liverpool gym for members to donate supplies or make financial contributions.

SPOTLIGHT

Special thanks to Antonio and his team at the Speedway regional office for generously donating a new color printer and supplies! Reducing printing costs helps us devote more resources to our programming and advocacy efforts. Thank you, Speedway, for helping us make a difference!
