FEATURED PROGRAMS & EVENTS

Journeys, 18th Annual Celebration of Living

Every year, 13thirty members create a performance to give guests an inside glimpse of what it's like to be a teen or young adult with cancer. With the

help of talented 13thirty Champions, our members performed "What's Behind the Closed Doors" featuring original poetry. Guests then stepped up to the challenge and answered the call to support our programs in not just one, but two communities. We were blown away by their generosity!

Beards for Bucks: Cops Against Cancer

For the month of November, local law enforcement agencies gained approval to Grow Beards for Bucks! Over 600 officers from 12 local agencies

participated and raised \$40,000 this year. Beards for Bucks is part of the Bald for Bucks program that supports programming at 13thirty and cancer research at Roswell Park.

Happy Holidays!
