March/April

SPOTLIGHT

The past few weeks have been difficult, and the future is still unknown, but our mission must continue.

We are always here for our teens and young adults with cancer, their families, and our entire 13thirty community, especially during this uncharted time.

Let's join up this April for **AYA Cancer Awareness Month** and show the world how strong the 13thirty community is.

Together, let's keep active and connected (virtually!) through **#30daysof13thirty!**

Follow along on social media and at 13thirty.org for a full calendar of virtual challenges throughout AYA Cancer Awareness Month this April.
